

San Luis Obispo Museum of Art (formerly SLO Art Center) presents

Cambria Summer Art Camps

Three sessions for children 6–9 years old and 10–14 years old
Old Grammar School, Monday through Thursday, 9 to noon

All materials provided. Scholarships available.

Session 1 June 14–17

6 to 9 year olds

Course CAM–1A DRAWING & PAINTING WITH NATURE

with teaching artist *Stephanie Arehart*
Make your own sketchbook for saving your ideas. Feel and observe natural and manmade objects, drawing the textures you see and feel. Use your drawn textures for abstract painting.
.....and after a break

ALL ABOUT TEXTURE!

with teaching artist *Suzette Morrow*
Create your personal sketchbook for your creative ideas and observations. Explore relief in nature through implied texture rubbings, real texture collage and handmade clay tiles.

10 to 14 year olds

Course CAM–1B

ALL ABOUT TEXTURE!

with teaching artist *Suzette Morrow*
Create your personal sketchbook for your creative ideas and observations. Explore relief in nature through implied texture rubbings, real texture collage and handmade clay tiles.
...and after a break

DRAWING and PAINTING WITH NATURE

with teaching artist *Stephanie Arehart*
Save your ideas in your sketchbook. Feel and observe natural and manmade objects, drawing the textures you see and feel. Use your drawn textures for abstract painting.

Session 2 June 21–24

6 to 9 year olds

Course CAM–2A ART IN MOTION

with teaching artist *Suzette Morrow*
Discover the 3-D world of mobiles. Use natural and drawn images in your kinetic sculptures. Create balance and movement in your original artwork.
.....and after a break

PRINT, PRINT, PRINTMAKING!

with teaching artist *Stephanie Arehart*
Experience various ways to create prints—rubbings, collagraphs, intaglio and imprints with actual objects. Printmaking is fun 2-D art making!

10 to 14 year olds

Course CAM–2B

PRINT, PRINT, PRINTMAKING!

with teaching artist *Stephanie Arehart*
Experience various ways to create prints - rubbings, collagraphs, intaglio and imprints with actual objects. Printmaking is fun 2-D art making!
...and after a break

STABLE and MOBILE SCULPTURES

with teaching artist *Suzette Morrow*
Use natural and drawn images in your stabile and kinetic sculptures. Create balance and movement as you work on all sides of your original artwork.

Session 3 June 28–July 1

6 to 9 year olds

Course CAM–3A WHAT'S UNDERWATER?

with teaching artist *Stephanie Arehart*
Work on an artistic theme. Create drawings, paintings, prints to incorporate in our large underwater mural. Imaginative artists at work on our underwater environment!
.....and after a break

EXPLORING THE OCEAN DEPTHS

with teaching artist *Suzette Morrow*
Create divers, mermaids and swimmers to join the fish and plants of the sea. Combine drawings and painting with collage to make the underwater scene come alive!

10 to 14 year olds

Course CAM–3B EXPLORING THE OCEAN DEPTHS

with teaching artist *Suzette Morrow*
Create divers, mermaids and swimmers to join the fish and plants of the sea. Combine drawings and painting with collage to make the underwater scene come alive! Make a splash with your artwork.
...and after a break

WHAT'S UNDERWATER?

with teaching artist *Stephanie Arehart*
Work on an artistic theme. Create drawings, paintings, prints to incorporate in our large underwater mural. Imaginative artists at work on our underwater environment!
